**Deadline to submit form – January 24<sup>th</sup>, 2020**

**One Form Per Team must be submitted to be considered! *\*\*New Policy\*\****

Coach Name	Club Name & Team Name

- Please fill out this conflict form before registering your team for the upcoming season. There will be weekday games scheduled as needed for all age divisions. Please indicate any dates and/or times when your team is unable to play. Sign and date the form below.
- **The only valid conflicts are coaching clinics, soccer tournaments and other events** which would inhibit your team from fielding a reasonable number of players for a league match.
- Valid conflicts do not include days or times when just a few players cannot attend the game. It is also not a valid conflict if the coach is unavailable or busy coaching another team. Coaches with 3 or more teams will need to have assistant coaches. **Only 2 teams per coach will be de-conflicted by the association.** Teams will also not be de-conflicted for future use of Club Pass.
- **Teams that do not submit a conflict form will be assumed to have no conflicts.**
- You may submit the conflict form via email to the scheduler or deliver to the LCYSA office.
- If you miss the deadline you will need to wait for the schedules to be posted and then request and pay the fee for rescheduling each game that does not fit your schedule.
- To be considered for your team’s schedule, EVERY conflict must be explained, and it must meet the criteria as defined above. Please also **include PRECISE dates and times and provide any additional comments.**
